

A guide to...

NETFLIX

What is it?

- Online streaming service
- Available on any internet connected device

Features

- You can watch a wide selection of films and TV shows
- Can be watched on smart TVs, games consoles, tablets and smartphones

Age Rating:

18+ (to create an account
See individual film ratings)

Be careful of:

- Netflix has **content for all ages**
 - Risk of **hacking**
- **Binge watching/ screen addiction**- watching on many devices so difficult to control
- 'Netflix Party'- talking to **strangers**
