

 guide to...

 **YouTube**

Age Rating:
13+

Child Tips:

- Apply **restricted** mode
- Change who can see your videos
- **Block** concerning users

BLOCK!

What is it?

- Online platform where anyone can upload and watch video content
- Available on IOS and Android

Be careful of:

- **Inappropriate content**
 - YouTube suggests **'related content'**
 - Users can privately **contact** your child
- **'Challenge videos'** can go too far
- **Sharing videos** can risk privacy

Parent Tips:

- Talk to your child about **cyberbullying**
- Create a **'family' google account**
- **Turn off** 'auto-play'
- Influence and control what your child is watching

Features

- Videos contain information, advice and entertainment
- You can watch, rate and comment on videos
