Newsletter No 3/2021-22

## **COVID-19 immunisation for students**

You have already received the letter from the immunisation service giving the details of the COVID-19 vaccination offer for students aged 12-16 both via Parentmail and in hard copy.

**IF YOU WANT YOUR CHILD TO HAVE THE VACCINE YOU MUST COMPLETE THE CONSENT FORM BY**

**4PM TODAY, FRIDAY 8 OCTOBER 2021**

**(WHEN THE E-CONSENT WEBSITE WILL CLOSE).**

There is no leeway on this deadline which has been set by the immunisation service, not the school.

Late responses will not be considered  
and there will be no 2<sup>nd</sup> round.

**Please complete the e-consent form for your child's  
COVID-19 vaccination**

**at: [www.surreyimmunisations.co.uk](http://www.surreyimmunisations.co.uk)**

(the school's unique code/URN number is **SR125476**)

We will let parents/carers know when we have been given a date for the vaccinations to take place at school. Students will be prepared for the vaccines in the normal way we prepare them for all other vaccinations, when we get nearer the date, including social stories, tutor time sessions, etc.

### **Extra day of holiday at half term**

**We are still hearing from people who say they didn't realise there is an extra day added to half term Friday 22<sup>nd</sup> October**

**HALF TERM: Friday 22<sup>nd</sup> – Friday 29<sup>th</sup> October (inclusive)**

**Back-to-school: Monday 1<sup>st</sup> November**

## Ordering School Meals from Innovate

**Don't forget to order by midnight on Saturday for the week ahead and double check that you have ordered meals for every day required. You can order meals several weeks in advance to cover the whole term or half term.**

Every week we are still having students coming to the school office because they are expecting a school meal but one has not been ordered for them. We do try to help in these instances, but because the students do not usually come forward until the last minute, we cannot guarantee that Innovate will always have enough extra food to meet all additional requests. **Innovate cannot provide food for students who are not registered because parents need to complete a special diets and food allergies declaration in advance.**

*School staff can't anticipate for which days you and your child will select a school meal and for which you will not – you may have decided to send in a packed lunch on a particular day because your child does not like anything on the menu, they might not require a meal at all (because they have a hospital appointment in London so will not be in school all day, for example).*

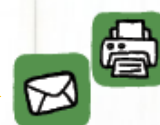

Please check that all the orders you have selected have registered. In the illustration below,

**Meals have been ordered only for the days highlighted in GREEN.**

**There is NO meal ordered for the days highlighted in ORANGE.**
